

James Gallogly Has A Proven Track Record of Creating Immense Value for Shareholders

Mr. Gallogly was the Chief Executive Officer at LyondellBasell (“LYB”) from 2009 to 2015. During his tenure, Mr. Gallogly created significantly more value for shareholders than other chemical peers, Huntsman, and the broader market.

Share Price Performance During Mr. Gallogly's Tenure⁽¹⁾

“First of all, I think that multiples are very important in a stock price, obviously. But let's not get too transfixed on the multiple. If I look at the companies that have improved the greatest shareholder value that have gone up over the course of the last 2 1/2 years, 2 years, I think number one on that list is Lyondell. You have Westlake. I think Huntsman is number three on that list.”

Mr. Gallogly is uniquely qualified to serve on the Board given his impressive record and chemicals expertise.
